Jakarta Biennale Pindah ke 2021

Dengan situasi global yang tidak menentu dan Status Darurat Nasional akibat Pandemi Covid-19, Jakarta Biennale pindah jadwal dari bulan November 2020 ke paruh kedua 2021. Seluruh jajaran pelaksana Jakarta Biennale akan tetap bekerja dan terlibat dalam segala upaya masyarakat menghadapi situasi pandemi ini. Kami percaya bahwa seni memegang peran penting dalam menjaga harapan, pemberdayaan dan upaya besar melalui krisis global ini. Jakarta Biennale terus berjalan untuk menghadirkan yang terbaik di perjalanan ini bersama masyarakat dan ekosistem seni rupa, sebagai satu-satunya ajang seni kontemporer non komersial bertaraf internasional, milik kota Jakarta.

Jakarta Biennale Moving to 2021

With the crisis and uncertainties happening everywhere in the world in effect of the Covid-19 global pandemic, the event of Jakarta Biennale is moved from November 2020 to the second half of 2021. Jakarta Biennale organizers keeps working for the preparation of the event as well as being involved in the collective effort of the people in dealing with this pandemic. We believe that art plays an important role in keeping the hopes, empowerment and the society's effort to get through this global crisis. Jakarta Biennale keeps moving forward to present the best in this journey with the public as well as the art ecosystem, being Jakarta's own non-profit contemporary art event of international scale.
